EARLY APPLICATION
It is advisable for candidates to obtain their nomination documents as early as possible during the filing period and to file them well in advance of the filing deadline so that any irregularities may be corrected prior to the filing deadline.

Signatures improperly obtained can subject the candidate to possible challenge and disqualification by his/her opposition.

All candidates are urged to file the following documents as early as possible:

**Statement of Write-In Candidacy** – Refer to the Five Easy Steps to the Candidate Nomination Process on pages 13-17 of this information guide. The Write-In candidacy forms must be filed with the Ventura County Elections Division NO LATER THAN 5:00 P.M. ON OCTOBER 25, 2016.
Candidate Campaign Statement Forms – If you have any questions regarding the completion of these forms, contact the Campaign Finance and Disclosure Section at (805) 654-2664.

ELECTION RESULTS FOR WRITE-IN CANDIDATES
Write-In election results are not determined until the canvass is completed. California election law allows a prescribed number of days to conduct the official canvass. The official canvass includes an inspection of all material and supplies, a reconciliation of signatures on the voter rosters with the number of ballots recorded, a reconciliation of the number of ballots issued with ballots recorded and processing of any valid Vote By Mail and provisional ballots not included in the semi-official election results. During the official canvass, Write-In ballots must be individually reviewed to determine if the Write-In vote is for a qualified/unqualified Write-In candidate and whether a voter has over voted. All aspects of the canvass shall be open to the public. Write-In votes are counted and certified in an election only if the candidates have qualified by filing the required nomination documents with the elections official.

Offices Omitted From Ballot – Prospective Write-In candidates should note that Write-In candidacy is possible only if the office appears on the ballot. When judicial, school and uniform district elections law contests are involved, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. However, California law provides that for such offices a petition indicating that a Write-In campaign will be conducted must have been filed with the Elections Official by August 17, 2016, the 83rd day before the election, to require the offices(s) be placed on the ballot by means of a petition drive.

(Elections Code §§10515; Education Code 5326)

Name Does Not Appear On Ballot – The candidate’s name does not appear on the official ballot. The candidate is not entitled to a Candidate Statement in the sample ballot booklet.

(Elections Code §302)

FOR WRITE-IN CANDIDATES TO BE ELECTED
To Be Elected – In order for a candidate, including a Write-In candidate, to win election to a judicial or county office, the candidate must receive a majority of the ballots cast for candidates for that office. In order for a candidate, including a Write-In candidate, to be nominated to a judicial or county office at the general election, the candidate must be one of the top two vote getters at the primary election.

(Elections Code §§8140, 8141, 15451)

A Write-In candidate for a school district governing board member or special district board of directors member contest must receive more votes than any other candidate running for that office. When more than one office is to be filled, those candidates, including qualified Write-In candidates, who receive the highest number of votes equal to the number of offices to be filled are elected.
CANDIDATE’S NAME AND BALLOT DESIGNATION

NAME ON BALLOT
The manner in which the candidate’s name is shown on the Declaration of Candidacy is the manner in which it will appear on the ballot; it cannot be changed after the document is filed. (Elections Code §8040)

If a candidate changes his or her name within one year of any election, the new name shall not appear upon the ballot unless the change was made by marriage or by decree of any court of competent jurisdiction. (Elections Code §13104)

CANDIDATE STATEMENT OF QUALIFICATIONS

CONTENT
Each candidate for nonpartisan elective office in any local agency, city, or district, may prepare a Statement only on the form provided by the County Elections Official. Each Statement may include the name, age and occupation of the candidate and a brief description of the candidate’s education and qualifications expressed by the candidate. The Statement shall be limited to a recitation of the candidate’s own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate’s qualifications, character, or activities. Each agency has previously determined the maximum number of words permitted in the Candidate Statement of Qualifications (Statement). However, the governing body of the local agency may authorize an increase in the limitations on words for the Statement from 200 to 400 words. Statement forms distributed to candidates provide information regarding district policy. Ventura County policy only allows for 200 word Statements. The Statement must be in 12 point type and is limited to 30 lines. The Statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations. Each agency has determined whether the candidate or the district is to pay the pro-rated cost of the Statement. Statement forms distributed to candidates provide information regarding district policy. (Elections Code §13307, 13308)

The COUNTY ELECTIONS OFFICIAL will not accept language in a Candidate Statement that in any way makes reference to other candidates or to another candidate’s qualifications, character, or activities pursuant to California Elections Code Section 13308. For these candidates, the Ventura County Elections Official will remove the improper language from the Statement and not allow it to be printed. The candidate will be notified of the improper language and its removal from the Statement.

All prospective candidates may want to refer to California Elections Code Sections 13307, 13308, 13311, 13313 and 13314, as well as the California Court of Appeal ruling in Dean v. Superior Court, (1998 4th Dist.) 62 Cal. App. 4th 638. However, this list is not exhaustive and candidates are solely responsible for preparation and submittal of their Statement that are in conformance with the law.

Any candidate who knowingly makes a false statement of material fact in a Candidate Statement, with the intent to mislead the voters, is punishable by a fine not to exceed $1,000. (Elections Code §18351)

FILING
A Statement is optional. If a Statement is not filed, a waiver form must be filed with the Declaration of Candidacy in order to complete the nomination requirements.

If a candidate decides to submit a Statement, a deposit (based on estimated pro rata share - see page 28) will be paid at the time the Statement is filed. The Statement authorized by this subdivision shall be filed in the Ventura County Elections Division when the candidate’s nomination papers are submitted for filing.

A signed hardcopy of the Statement must be submitted in addition to an electronic version. The electronic version may be on a CD or it may be e-mailed to Campaign.Finance@ventura.org. The signed hard copy of the Statement is the official filed document. In the event of a discrepancy between the hard copy and the electronic copy, the hard copy version will be printed in the Sample Ballot Booklet. The Statement cannot be changed after it is submitted; however, it can be withdrawn by written request at any time during the nomination period and until 5:00 p.m. the next working day after the close of the nomination period.
In accordance with the Federal Voting Rights Act, all *Statements* will be translated into Spanish by the Ventura County Elections Division using a certified translator and this cost is included in the estimated pro rata share amount.

The estimated cost is determined prior to all information being available; therefore, it is an approximation of the actual cost that varies from election to election and may be significantly more or less depending on the actual number of candidates filing *Statements*.

**NOTE:** All *Statements* must be filed with all other nomination documents no later than 5:00 p.m. on Friday, August 12, 2016, the 88th day prior to the election, or August 17, 2016, the 83rd day in the event of a nomination period extension.

If a *Candidate Statement* is not filed, a signed blank *Candidate Statement* form must be filed with the *Declaration of Candidacy* in order to complete the nomination requirements. The *Candidate Statement* cannot be changed after it is submitted; however, it can be withdrawn by written request at any time during the nomination period and until 5:00 p.m. the next working day after the close of the nomination period.

**NOTE:** The *Candidate Statement* must be filed with all other nomination documents no later than 5:00 p.m. Friday, August 12, 2016.

**PUBLIC EXAMINATION PERIOD**

*Candidate Statements* are confidential until after the close of the nomination period. Once the filing period closes, the *Candidate Statements* are open to public examination for a ten (10) calendar day period. If the nomination period is extended for a particular office, the *Candidate Statements* are open to public examination for another (10) calendar day period. A fee may be charged to any person wishing to obtain a copy of the material. During both periods, any person may file a writ of mandate or an injunction to require any or all of the content or data to be amended or deleted.  

(Elections Code §§13311, 13313)

**PROPOSITION 34**

State Legislative Offices - (State Senator and Member of the Assembly) - Candidates who voluntarily choose to limit their campaign expenditures in accordance with Proposition 34 by appropriately filing a FPPC Form 501 may submit a *Candidate Statement* for inclusion in the Sample Ballot Booklet. A deposit of the estimated cost is required at the time of filing the statement. The maximum number of words is 250.  

(Government Code §85601)

**NOTE:** For shared districts, candidates must file a *Candidate Statement* with each county and may be dissimilar between counties.

A candidate for United States Representative may purchase space to place a *Candidate Statement*, not to exceed 250 words, in the voter information portion of the Sample Ballot booklet. The *Statement* may not make reference to any opponent of the candidate. The statement shall be submitted in accordance with the time frames and procedures set forth in this code for the preparation of the voter information portion of the Sample Ballot booklet.  

(Elections Code §13307.5)

Candidates for United States Senator may purchase space for a 250-word *Candidate Statement* in the official State Voter Information Guide. Statements must be filed in the Secretary of State’s office no later than 5:00 p.m. on July 20, 2016.
FORMAT AND STYLE

1. *Candidate Statements* will be typeset using Arial font in 12 point size and will be printed in uniform type, style and spacing. However, the *Candidate Statement* may be typed and submitted using any standard font. Statements will be printed in uniform type, style, and spacing. Use block paragraphs and single space format. Text submitted indented or centered will be typeset in block paragraph form. See sample of *Candidate Statement* on page 33 for recommended form and style content.

2. Entire *Candidate Statements* in all capital letters are not acceptable. Indentations, circles, stars, dots, italics and/or bullets cannot be accommodated. However, you may use dashes/hyphens. It is recommended that you do not use dashes or hyphens at the end of a line. Any combinations of enhanced words are counted as one word. However, the number of words/acronyms that can be in all capital letters shall not exceed 10 words.

3. All *Candidate Statements* should be checked by the candidate for spelling and punctuation as the elections official is not permitted to edit any material contained therein once the Candidate Statement has been filed. See *Guidelines for Preparing Candidate Statement of Qualifications* on page 33 for other suggestions.

BILINGUAL TRANSLATIONS

Bilingual language translations of *Candidate Statements* for Voter Information booklets are provided in Spanish in accordance with the National Voting Rights Act provisions and Department of Justice specifications. These booklets are sent only to voters who have requested translated material. Additional booklets are provided at the polling places on Election Day.

*Candidate Statements* shall be filed in each county no later than 5:00 p.m. on August 12, 2016, the 88th day prior to the election, or August 17, 2016, the 83rd day in the event of a nomination period extension.

**For example:**

Detailed records must be maintained for all financial activity; and contributions received for political purposes must not be commingled with personal funds.

Campaign statements must be filed at specified times disclosing contributions received, expenditures made and other financial information. In some cases, candidates can avoid filing campaign statements by submitting a Candidate and Officeholder Campaign Statement Short Form, (Form 470).

The failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

**DEFEATED CANDIDATES**
Campaign disclosure reports must be filed until the campaign committee has been terminated using Form 410.

It is recommended that campaign disclosure statements be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.

COUNTY CAMPAIGN FINANCE REFORM ORDINANCE SUMMARY

In 2003, the Board of Supervisors adopted a Campaign Finance Reform Ordinance. The current Ordinance No. 4471 applies to all county candidates. A “county candidate” is any individual who is a candidate for the positions of Supervisor, Sheriff, District Attorney, County Clerk and Recorder, Treasurer-Tax Collector, Auditor-Controller, County Superintendent of Schools, or Assessor in the County of Ventura. “Countywide office” means the office of Sheriff, District Attorney, County Clerk and Recorder, Treasurer-Tax Collector, Auditor-Controller, County Superintendent of Schools, and Assessor.

As of May 21, 2015, the Ventura County Campaign Finance Reform Ordinance expenditure limit for countywide candidates is $655,000 for Primary elections, $755,000 for General elections and for Supervisorial district candidates it is $200,000 for Primary elections and $250,000 for General elections.

A Voluntary Expenditure Limitation Statement is required of each county candidate for each election. Contributions to candidates or the controlled committees of candidates who have not accepted the voluntary expenditure limits (nonparticipating candidates) are limited to $375 per person per candidate for a primary election or a general (runoff) election. Contributions to candidates or the controlled committees of candidates who have accepted the voluntary expenditure limits (participating candidates) are limited to $750 per person per candidate for a primary election or a general (runoff) election. The limits do not apply to a candidate’s contributions of personal funds to the candidate’s own campaign, but do apply to spouses’ contributions.

ELECTRONIC FILING OF CAMPAIGN STATEMENTS

Any county candidate and the candidate’s controlled committee that raises or spends at least one thousand dollars ($1,000), or any independent expenditure committee that raises or spends at least one thousand dollars ($1,000) in any county election in support of or opposition to a county candidate, shall file all campaign statements in a format that is approved by the County Clerk for electronic filing. The County Clerk shall cause to be placed on the County’s web site a copy of each campaign statement required by the preceding paragraph to be filed in a format approved for electronic filing within three working days of the statement’s filing with the County Clerk.

VENTURA COUNTY ELECTIONS DIVISION POLICIES REGARDING CAMPAIGN FINANCE REFORM ACT

1) It is the policy of the Ventura County Elections Division (hereinafter referred to as “Division”) to provide the public and all governmental offices with accurate and efficient services and information. To accomplish this, the Division must receive timely and accurate campaign reporting. To ensure such timely and accurate reporting, it is the Division’s policy to report to the appropriate enforcement authority violations of state law or county ordinances pertaining to campaign filing, reporting, and disclosure that the Division discovers, for which the County serves as the Filing Official. It is not the responsibility of the Division to report on State Committees for which the County is not the Filing Official. The Division will not file complaints or otherwise report alleged violations on behalf of any other person.

The Division will advise members of the public or other governmental officers seeking to file complaints of the appropriate enforcement/reporting authority. Those authorities are: the California Fair Political Practices Commission (FPPC), the Clerk of the Board of Supervisors and/or the District Attorney, depending on the specific type of alleged violations.
a) If it is determined that the alleged violation is relating to the Ventura County Campaign Finance Reform Ordinance, complaints shall be filed in writing with the Clerk of the Board of Supervisors on a form provided by that office and shall be signed by the Complainant under penalty of perjury. All available credible evidence supporting the allegations must be filed with the complaint. Any resident seeking to file a complaint must pay a filing fee of $35 per complaint.

b) If it is determined that the alleged violation is a matter of state law and outside the jurisdiction of the County, the Division shall refer the person to the FPPC.

c) If it is determined that the alleged violation is within the jurisdiction of the County Filing Official, the Division shall follow state and local policies regarding providing notices to the affected candidates, including requesting amendments or other such actions as appropriate or required by law.

2) It is the policy of the Division in its capacity as County Filing Official to review all campaign reports (State and Local Candidates/Committees) filed to ensure compliance with both State law and County ordinances, as applicable.

a) If it is determined that further information is needed or if the report is lacking the required information, a written notice requesting an amendment to the form shall be prepared and mailed to the committee campaign Treasurer.

b) If the report in question is a Pre-Election report, the deadline date for submission of the amended report shall be five days from the notification letter date.

c) The Division shall send two written notices prior to referring the matter to any enforcement authority.

3) It is the policy of the Division to enforce the state law mandates regulating penalties for violations. All penalties collected will be payable to the VENTURA COUNTY ELECTIONS DIVISION and shall be deposited into the County General Fund, pursuant to state law.

4) It is the policy of the Division to require County candidates (as defined in the ordinance) and treasurers of County candidates’ controlled committees that meet the County’s threshold limit for electronic filing to file electronically all original campaign reports filed with this Division including Forms 410 updates, 460, 496 and 497.
HELP AMERICA VOTE ACT (HAVA) UPDATE ON 
VOTER REGISTRATION

As of January 1, 2006, federal HAVA law requires every state to have a statewide voter registration database in place. As a result, in order to be listed on the California voter file, each person must provide a California Driver’s License (CDL) number when registering or re-registering to vote. Persons who do not have a CDL may provide a California State Identification (ID) number issued by the State’s Department of Motor Vehicles (DMV). Any person who does not have either a driver’s license or State ID number must provide the last four digits of his/her Social Security Number. All voter registration forms must then be cleared by the California Secretary of State (SOS) system (CalVoter) prior to the registration or re-registration becoming effective. Clearance by the SOS’s CalVoter system involves matching information provided by the voter on the registration form against the DMV database or federal social security information to verify identity.

While assisting voters with the voter registration process please ensure that they provide a CDL or State ID number on their form.
POLLING PLACES AND POLLWORKERS

BASIC INFORMATION
Polling Place hours: 7 a.m. to 8 p.m.

There will be approximately 361 polling places in the November 8, 2016 Presidential General Election.

QUESTIONS AND ANSWERS
Q. Can a candidate serve as a pollworker for the election in which he/she is running?
A. Yes, as long as the candidate’s name does not appear on the ballot at the polling place he/she is assigned to work.

Q. Can a candidate host a polling place at his/her residence or office on Election Day?
A. No. This is not legally allowed. (Elections Code §12287)

Q. How can candidates get a list of polling place locations?
A. Contact the Ventura County Elections Division at (805) 654-2664. There is a small fee for this service. All polling locations are kept current on our website at venturavote.org and are accessible for any voter to view by clicking on “Where is my polling place?”

NOTE: Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter that includes a designation of the voter’s precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to the mailing or distribution. (Elections Code §18302)

Q. Why do polling places change?
A. Despite our best efforts to locate and secure long-term hosts for voting locations, an average of five to ten Ventura County polling places change between major elections. Facilities used in the past may not be available due to the following examples:
   1) Location has another commitment on that date or is undergoing reconstruction
   2) Precinct boundary lines were revised to comply with new legal requirements
   3) Determination of non-accessibility to voters with disabilities
   4) Complaints from voters regarding former voting location such as insufficient parking, lighting, etc.
   5) Different groupings of districts from one election to the next make it necessary to alter voting precinct boundary lines

Q. What do pollworkers do and how are they compensated?
A. Pollworkers are civic-minded citizens who help to set up the voting locations (polls), assist voters when signing in, demonstrate how to use the voting system, issue ballots, etc. After the polls close, pollworkers are responsible for counting all the ballots, packing up election supplies and delivering ballots and supplies to a designated Receiving Station.

Every precinct has one Inspector who is in charge of several clerks. The number of clerks assigned is based on the number of registered voters in the precinct. Inspectors receive up to a $145.00 stipend and clerks receive up to $110.00.

To volunteer to serve as a pollworker, registered voters may call (805) 654-2784.
Q. Is it legal for high school students to serve as pollworkers?
A. State law allows qualified high school students to serve as “student pollworkers” on Election Day. The Student Pollworker Program (SPP) is a great way to introduce young people to democracy in action and at the same time provide a valuable community service. Students who serve on a precinct board on Election Day receive a $90.00 stipend, plus an additional $20.00 if they complete the training class. Students must be U.S. citizens or a legal permanent resident, at least 16 years of age with a grade point average of 2.5 or greater. A Student Pollworker Application/Nomination Form is required from every student.

**BILINGUAL POLLWORKERS**
The federal Voting Rights Act requires that bilingual pollworkers be hired in targeted polling places to provide oral assistance to limited-English proficiency voters. The Ventura County Elections Division is currently recruiting pollworkers that speak Spanish, Tagalog, Chinese and Hindi.

Bilingual pollworkers must be registered voters who speak English well enough to explain election procedures to English speaking voters. They must also understand English well enough to understand the difficult procedures taught in the training classes.

Bilingual pollworkers are vital in helping citizens with limited English proficiency to exercise their voting privileges. They assist voters, whose primary language is not English, and help them understand voting procedures by responding to their questions. As a means to address the bilingual pollworker recruitment challenges, a “Pollworker/Recruiter” Program, which brought community activists into recruiting bilingual pollworkers from their communities, was launched in 2004. In addition, to solve the general pollworker recruiting issues, Ventura County has developed the Student Pollworker and County Employee Pollworker Programs. The County has utilized these programs, in addition to the “Pollworker/Recruiter” Program, to address bilingual pollworker recruiting challenges.
QUESTIONS AND ANSWERS

Q. Can I, as a Candidate, view all parts of the ballot counting process?
A. Yes, the ballot counting process is open for public observation. If you wish to observe the process, you may go to the Elections Division lobby, located in the Lower Plaza of the Government Center, at 800 South Victoria Avenue, to check in and be provided with an observer’s badge. Tours are available.

Q. How can I Get Results Election Night?
A. **Website:** Results are available on the Internet at [http://venturavote.org](http://venturavote.org)
   **Phone:** Live operators are also available by calling (805) 654-2664 from 8:00 p.m. and thereafter until all precincts have reported.
   **Ventura Headquarters:** Hard copies of the results are printed and available at the Elections Division.

Q. Are Election Night Results Final?
A. No. California State law allows a specified period after the election for the completion of the official canvass. Results released on election night are considered semi-official.

POST ELECTION NIGHT RESULTS

Supplemental counts of outstanding ballots will be provided approximately two days after the election. This count is conducted to get the majority of these ballots counted at the beginning of the canvass process.

Outstanding ballots include:
- Vote By Mail ballots turned in at the polls on Election Day,
- Provisional ballots voted at the polls and sealed in envelopes for further research.

Semi-official election results are updated twice a week. If a race is very close, the outcome may not be known until the canvass is complete.

CANVASS/CERTIFICATION

Canvass is a process of reconciling numbers and the supplemental counting of Vote By Mail ballots turned in at the polls and provisional ballots. California law permits 30 days to complete the final, official canvass and certify the results of the election. This provision of the law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of over 570 voting precincts. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from the randomly selected 1% of the voting precincts. After election night, the list of 1% of the precincts randomly selected for the 1% Manual Tally will be posted in the Elections Division.

STATEMENT OF VOTES CAST

Once the election is certified, the Final Official Canvass Statement of Votes Cast is made available at the Elections Division and on the website [http://venturavote.org](http://venturavote.org). The Statement of Votes provides a precinct by precinct breakdown of the votes cast.

A post office box may be stated in lieu of a street address if the organization’s address is a matter of public record with the Secretary of State.

COUNTY SIGNS - STANDARDS AND PERMITS
County of Ventura Planning Code, Chapter 8, states:

§8110-6.8 - Political Signs
The purpose of this section is to prevent damage to Public property, protect the integrity of the electoral process and prevent the erosion of aesthetic quality and historic values within the County. It is specifically recognized that if temporary political signs on private property are not removed after the election is held, the deteriorating signs and accumulating debris become a blight, defacing the landscape. It is therefore an intent of this Article to make provision for the erection and removal of such signs after the election which they publicized has been held.

§8110-6.8.1 - Political Signs on Private Property
No temporary political sign face shall exceed thirty-two (32) square feet in area. The aggregate area of all temporary signs placed or maintained on any lot in one ownership shall not exceed ninety-six (96) square feet.

§8110-6.8.2 - Political Sign Registration
In order to keep track of the placement of temporary political signs to assure removal subsequent to an election, such signs shall be registered with the Planning Department by the candidate or his or her registered agent, or, when a ballot proposition is involved, by an authorized agent of the group or organization sponsoring the signs, prior to the distribution of such signs for the attachment or installation on any property. Registration of political signs shall be on forms available in the Planning Department and shall be accompanied by an agreement signed by the candidate or his or her authorized agent, or when a ballot proposition is involved, by an authorized agent of the group or organization sponsoring the signs, that within ten calendar days after the election all political signs shall be removed, and a certified statement by the registrant that consent will be obtained from each owner of the property on which a sign is to be posted.

§8110-6.8.3 - Location
Political signs may not be affixed, installed, or erected within 100 feet of a polling place or historic site, nor within the right of way of any highway, nor within 660 feet of the edge of a “Scenic Highway” or landscaped freeway, nor in any location where the sign will impair sight distance or create a hazard to traffic or pedestrians, nor on any telephone pole, lamp post, tree, wall, fence, bridge, bench, hydrant, curbside, sidewalk or other structure in or upon any public right-of-way, nor upon any other public property.

§8110-6.8.4 - Time Frames
Temporary political signs shall not be posted sooner than 90 days prior to a scheduled election administered by the County Elections Department. Said signs shall be removed within 10 days after the election.

§8110-6.8.5 - Enforcement
Except for signs remaining posted after the post-election deadline, any political sign not posted in accordance with the provisions of this Article shall be deemed to be a public nuisance and shall be subject to removal by the candidate, property owner, or, when a ballot proposition is involved, the authorized agent of the group or organization sponsoring the sign or, upon their failure to do so after reasonable attempt at notice by the County, by County officers or zoning inspectors. Any political sign which is not removed within the specified period following an election shall be subject to summary removal and confiscation by the County.

STATE
As noted in the following letter from the State Department of Transportation, political signs within view of State or County highways are subject to the provisions of the Outdoor Advertising Act. The Division of Highways is prepared to answer questions about state regulation of campaign signs, call (916) 654-6473.
NOTICE TO ALL POLITICAL CANDIDATES

POLITICAL CAMPAIGN SIGNS AND ADVERTISING
IN COUNTY ROAD RIGHT OF WAY

As we enter into the election season, it is appropriate to remind all candidates that it is a violation of the County Encroachment Ordinance (Division 12 of the Ventura County Ordinance Code) to place political campaign or other such advertisements or endorsements in the County road right-of-way. This includes the center medians, sidewalk or paths, and the portion of the County road right-of-way immediately adjacent to the pavement. (Note: The County Encroachment Ordinance applies only to the unincorporated area of the County; however, most cities have similar ordinances.)

Similarly, it is a violation to place campaign signs or other such advertisements on official traffic signs, public utility poles, or other improvements located in the County road right-of-way.

When placing any advertisements, banners, or signs on private property, please make sure that you obtain the property owner’s permission. Also, please make sure these signs or banners do not interfere with motorist sight distance or pedestrian use of the right-of-way, including sidewalks and the like.

Public Works Agency does not have the resources to enforce all violations of the Encroachment Ordinance. However, if we observe them or receive notifications, we will try to notify you first and give you the opportunity to move the item. If the encroachment obstructs or interferes with the public’s safe use of the right-of-way, we may have to immediately remove any such encroachment without notifying you.

We felt you would want to be aware of this Ordinance to ensure you and your supporters comply with the County’s rules and regulations regarding political campaign signs and advertising. It would also be appreciated if, as soon as possible after the election is over – win or lose – all of your signs and/or banners were removed. We all take pride in the appearance of our County.

Should you have any questions, please feel free to contact me.
