Dear Voter:

Your Official Ballot is enclosed. You may return your voted ballot in the envelope provided to the Elections Division by mail or in person.

If you mail your ballot, we suggest you allow at least 7 days for delivery. Your voted ballot must be postmarked on or before March 3, 2020 and received by the Elections Division no later than March 6, 2020, three days after Election Day.

Voters with Disabilities can request and receive access to the Remote Accessible Vote By Mail (RAVBM) system to obtain an official ballot. The RAVBM system allows voters with disabilities to download and mark their correct ballot privately and independently using their own assistive technology, print a marked ballot, and return it to the Elections Division to be counted. To request a RAVBM ballot, call (805) 654-2664.
