The Ventura County Registrar of Voters will hold a virtual Public Consultation Meeting to receive public input to assist with developing a draft Election Administration Plan (EAP) in accordance with the County's upcoming transition to the California Voter's Choice Act (VCA) in June 2022. The public, including advocates and stakeholders representing language-minority and disability communities, is invited to provide input on the EAP, which includes education and outreach components.

Once the draft EAP is completed, it will be posted online at [VenturaVote.org](http://VenturaVote.org), along with translated versions, and the public will be invited to review the draft plan and attend a public hearing to provide additional feedback at a future date.
